Unlock Your Potential

This workshop will change the way you :

- * Interact with your colleagues, family, friends and associates.
- * Lead your organization or team.
- * Communicate & create networks.
- * Maintain your energy and build your resilience.
- * Appreciate and understand yourself and others.

The workshop (1 Day) :

Through a unique approach to, Myers Briggs Type Indicator (MBTI), the key presenter, Dr Qamar uses his vast experience to guide & encourage people to explore their talents & abilities, develop a greater awareness of self & awaken a person's potential & creativity.

After more than 50 years of research & development, the MBTI instrument is the most widely used instrument for understanding individual differences & uncovering new ways to work & interact with others.
